Dig Into It!

- The wise men were astronomers, and knew the night sky very well. So, they were obviously shocked when they saw a new star in the sky. Look up how new stars form, and describe it below. Be sure to find out how long this process takes. Wouldn't you be shocked too?

Reflect On It!

- God has given us gifts in the form of our time, talents, and treasures. How can you use these to help others during the nativity season?
