Name: \_\_\_\_\_

## Review It!

- Compare the three states of matter.

	<b>Solid</b>	<b>Liquid</b>	<b>Gas</b>
How do we use water in this state?			
Other examples of this state of matter			

## Apply It!

- Explain the water cycle in your own words. Can you compare it to any other cycles in nature?

Handwriting practice lines consisting of five horizontal lines: a solid top line, a dashed midline, and a solid bottom line, with two blank lines above and below the primary set.

## Create It!

- Draw out the water cycle as you explained it above. Can you make a dance to go along with the different steps?

## Reflect On It!

- We go through many cycles and phases in the Orthodox Church (i.e. the Liturgical cycle, services of Lent and Holy Week, etc.). Why are these cycles important? How do we change throughout them?
